BOLDT CREATIVE STUDIO

I specialize in creating brand identities, photography, social media content, web design for clients. I've been working with clients like Bröllopguiden, Soho House, Klinik Estetik, Tolv Stockholm, The Social Bar and others. My work is all about bringing each client's vision to life, crafting designs that resonate with their audience and reflect their core values. Whether I'm building a brand image, capturing compelling photos, or designing a user-friendly website, I'm dedicated to delivering impactful and tailored solutions that elevate their presence and make a lasting impression.

Graphic Designer / Social media Manager

NICKS

NICK'S is a Swedish food tech company that creates sugar free sweets and ice cream. A colorful and playful company where I was in charge of graphic design for print and web, photography and social media. During my time as a social media manager I succeed to extend their Instagram account from 9 k to 36 k.
